THE WITTENBERGER

1934

PUBLISHED BY THE JUNIOR CLASS

WITTENBERG COLLEGE, SPRINGFIELD, OHIO

FOREWORD

THE ninetieth graduating class of Wittenberg College salutes a number of things, among them Recitation Hall, now beginning its fifty-first year as an academic building.

In 1884, fifty years ago, Recitation Hall was built, the second building on the campus. Changes have been rapid and frequent since then. Only ten years before, the first woman was admitted to study in this institution. Co-education is an integral part of the college now, women serving as instructors, administrators, and students.

Athletics at Wittenberg have produced a national reputation for this Lutheran college. Not to be forgotten is this year's golf team, which bids fair to take the state intercollegiate championship. Nor must be forgotten the unbeaten football teams, the great basketball teams that have flourished since the cornerstone of Recitation Hall was laid.

Academically, numerically, physically, Wittenberg College has grown in the last half-century. There seems to be a leaning toward expansion in all lines. Still a liberal arts college, Wittenberg's expansion is in the right line.

The tower on top of Recitation leans—who has said that it hasn't? But its leaning in the right direction. Don't forget that.

DEDICATION

To Professor Benjamin Franklin Prince, Ph. D., LL. D., whose familiar face we see no more on the Wittenberg campus after September, 1933, this volume is affectionately dedicated.

As a teacher he was thorough and punctual; as a scholar, careful and diligent; as an administrator, unobtrusive but conscientious.

Public-spirited citizen, appreciated friend, and sincere christian, the junior class is happy to honor one whose name for seventy-three years appeared among the faculty in the catalogue of Wittenberg College.

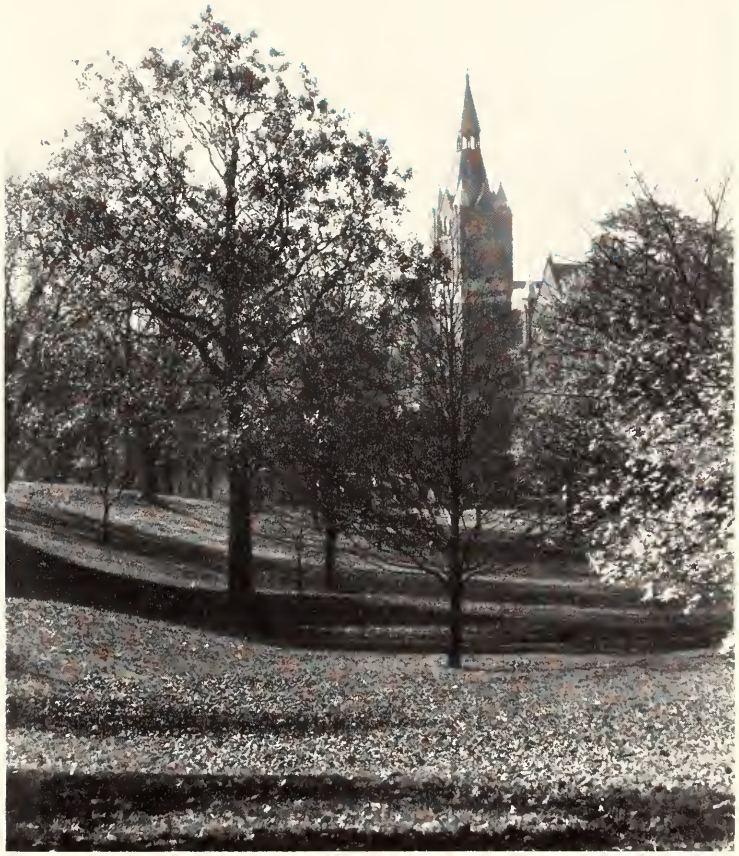
THE COLLEGE



The President

REES EDGAR TULLOSS, Ph. D., L.L. D., D. D.

DR. REES EDGAR TULLOSS became president of Wittenberg College in 1920. He has faithfully discharged his duties as president since that time and has proven himself to be a true administrator and friend.

Since his arrival at Wittenberg the enrollment has increased and an endowment drive successfully completed.

President Tulloss received his A.B. degree from Wittenberg and studied in the graduate school at Johns Hopkins University. He received his Ph.D. degree at Harvard University, his D.D. degree at Lenoir College, and the degree of LL.D. was conferred upon him by Muhlenberg.

Wittenberg and Hamma Deans

SHATZER PERSHING IMMELL LARIMER

DEAN CHARLES GALLATIN SHATZER, dean of the College and professor of Geology and Geography, came to Wittenberg in 1914. He received his A.B. and A.M. degrees from Wittenberg College, his Sc.D. from Susquehanna College, and also graduated from the University of Chicago. He is recognized as being a scholarly, and just administrator.

DEAN BENJAMIN H. PERSHING, dean of men, came to Wittenberg in 1926, having formerly acted as an instructor at the University of Pittsburgh, and as professor and the acting president of Thiel College. He is a graduate of Wittenberg College and received his PhD. degree from the University of Chicago.

DEAN RUTH IMMELL has served as dean of women since 1924. She was formerly dean of women and assistant professor of education at Hamline. Dean Immell received her A.B. and A.M. degrees from the University of Pennsylvania.

DEAN LOYAL HERBERT LARIMER graduated from Wittenberg College in 1894 and from Hamma Divinity School in 1897. He has been at Hamma Divinity School since 1908 and became dean of the school in 1924. He is highly esteemed by students of both the college and the seminary.

Arrow and Mask

ARROW AND MASK, a local honorary organization for senior women, was founded at Wittenberg College in October, 1922. At the annual tap service held in May, junior women are tapped for membership during their senior year. Qualifications for membership are high scholarship, leadership, character, and service.

As an incentive for high scholarship Arrow and Mask presents a silver cup which each year becomes the possession of the freshman girl having the highest scholarship quotient.

An outstanding service to the college is the annual Founders' Day pageant, written and presented by Arrow and Mask in honor of Dr. Ezra Keller and those who have contributed to the growth and progress of Wittenberg. Another project undertaken this year for the first time was a tea given in honor of freshman women to acquaint them with the standards and ideals of Arrow and Mask.

For several years Arrow and Mask has been desirous of membership in Mortar Board, national women's honorary, and with this object in view has maintained the standards of that organization. It is hoped that in the near future Mortar Board may be added to the list of Wittenberg honorary organizations.

Skull and Chain

MEMBERSHIP in Skull and Chain is considered the highest honor that a man can receive at Wittenberg. The group is for senior men, and is local in its character and activity. It endeavors to work in secret independently in making a better Wittenberg. There are no officers in the organization, though there are two honorary members, President Rees Edgar Tulloss and Dean C. G. Shatzer.

Members are chosen from the personnel of the junior class and are tapped late in May with the initiation taking place the same day.

The emblem of the organization is a gold skull and crossbones, with a gold chain looped from the crossbones.

Qualifications considered for membership are scholarship, activities, leadership, character, and meritorious service to the institution and the student body.

No more than eight nor less than three men are chosen each year.

Members this year are: Robert Braddock, editor-in-chief of the Torch; Elwood Pitzer, president of Boost "W"; Carveth Mitchell, president of the senior class; Fred Kerr, managing editor of the Torch; and John Ritter, varsity debater.

Blue Key

BLUE KEY, national booster fraternity, was established on the Wittenberg campus in 1926. For a while it consisted of the members of Boost "W" but has for the past several years continued as a separate organization.

Members are chosen for ability in campus activities, leadership and scholarship. Outgoing seniors elect men from the junior class to membership for the next year. These new members in turn elect two or three members of their class to membership the next year.

The group acts as a discussion body on major campus problems. This year Blue Key sponsored and promoted the first all-college dinner which was held in the Health and Physical Education building before Christmas vacation.

Since its inception the group has backed many projects including the Tigers' club, and has discussed student government and had charge of the visitation week-end for several years.

Pick and Pen

PICK AND PEN, the local Junior men's honorary, was established at Wittenberg in 1922. Its purpose is to provide for Sophomore men an incentive for attaining higher scholarship, for showing greater interest in collegiate activities, for exercising leadership along worthy lines, and for the development of character.

Eligibility to this honorary organization consequently depends upon the four points: scholarship, activities, leadership, and character. New members are selected by the unanimous consent of the active members each year. Membership is automatically terminated with the completion of the Junior year.

There are two honorary members of Pick and Pen who retain their membership as long as they are actively affiliated with the institution. They are Dean B. H. Pershing and Dr. Ross Miller.

Pick and Pen tap day is observed in the college chapel during the second week of May each year. The formal induction of the new members takes place at a banquet held on the evening of the tap day exercises.

The selections for the current year were: William Albin, business manager of the Torch; Howard Alsdorf, varsity debate, band, choir, Y. M. C. A. cabinet, Lutheran Student Council, and Tau Kappa Alpha; Melvin Barthen, debate, business manager of the Witt; Bitner Browne, varsity debate, oratory, fencing, Y. M. C. A. cabinet, Boost Wittenberg Association, and Tau Kappa Alpha; Joseph Harris, varsity basketball, varsity football manager; William Jones, Wittenberger, Witt, Pi Delta Epsilon; and Paul Pfeiffer, Torch news editor, Kappa Phi Kappa, and Lambda Mu.

Special Students

STUDENTS not candidates for a degree may be admitted to the college as special students on the approval of the committee on admissions. Those seeking this privilege must present written permission from their parents or guardian approving the action, and indicating an understanding of the fact that such a course does not lead to a degree. Such special students are required to meet the requirements for admission to freshman rank or the equal of such. During the first college year such a student is not permitted to elect courses ordinarily taken by upper classmen.

If at any time a special student seeks graduation, the conditions of graduation will be outlined by the Executive Committee.

Hamma Divinity School

HAMMA DIVINITY SCHOOL and Wittenberg College were founded at the same time. Hamma Divinity School was founded under the name of the Wittenberg Seminary, but its name was changed to honor generous benefactors. Wittenberg and Hamma have benefited both in educational and cultural advantages from their close association. An adequate library is maintained and the close association of the two faculties have been beneficial to both institutions.

The sole aim of Hamma school is to train faithful, competent ministers who will effectively uphold and proclaim the evangelical faith. It is explicitly Lutheran in its teachings but welcomes students of other faiths to help prepare them for their life work.

Receptions in the homes of the faculty and group dinners make up the greater part of the social life. Social functions are also held in the dormitory and in the refectory. Each graduating class usually presents the school with a fine gift.

The total alumni membership is near 700. Besides these alumni, many persons have pursued partial courses in the school. Every year since 1846 there has been a graduating class with but two exceptions.

Hamma School has a regular faculty and a few lecture professors from Wittenberg.

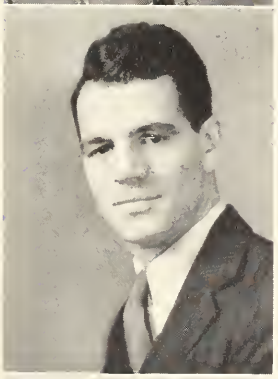
ATHLETICS



Coaches

HEAD COACH T. W. "BILL" STOBBS, JR., Washington and Jefferson has now competently filled his position for five years. He has had an undefeated season in the 1931 football schedule, and his basketball charges were co-champions with Ohio University last year. He is also head baseball coach.

HILDRETH A. "BUCK" RIDER, Wittenberg, every fall leaves his field secretary post to become line coach for the Fighting Lutherans. Since his playing days he has been a keen student of football.

ANTHONY "TONY" TUCCINARDI, Wittenberg, coached the freshman basketball team, and is also assistant baseball coach.

FLOYD "MIN" SIEWERT, Wittenberg, is trainer for the football squad and assistant basketball coach.

Pictures of several coaches are missing. They are W. E. "Tid" Schaefer, freshman football coach; Roscoe Rilling, fencing coach; Robert Hamilton, student tennis coach; and Phil Stevenson, coach of the so-far victorious 1934 golf team.

Cheer Leaders and Managers

KINSMAN LAMB is the senior intramural manager and has James Keyser as the junior manager; William Frick, Phil Lottich, and James Andrews as sophomore managers. Lamb has for three years been recording points for intramural activities and has received his managers letter.

Managers for athletics include: Joe Harris and Meredith Whitaker for varsity football; Frank Jackson for varsity basketball; Meredith Whitaker for baseball; Kenneth Wray for freshman basketball; Robert Neumeier and Richard Hardy for freshman football.

The cheerleaders include Jack Ferguson, John Beachem, Paul Plasterer, Max Butler, Lloyd Osborn and Myron Shafer.

Football

LET'S be truthful about the whole thing.

Wittenberg sports have fallen decidedly in even the last year; various causes and remedies have been suggested, but the fact still remains that we're in the doldrums, the depths, a period of athletic depression, or what professorial sports writers might refer to as a length of time devoted to inability to get anywhere—or not very far, at least.

But the cloud of the silver lining that hangs over Fighting Lutheran athletic supremacy may be readmission into the Ohio Conference, where we will meet schools of our own caliber in athletics, and where we will have a chance to finish seasons with 750 percent, or higher. It's all very nice to play the Buckeye loop, but what's the use of a suicide schedule when we don't get even good gate receipts?

Let's play in our own backyard; there's fun and fame a plenty right there.

A 33-0 decision over Detroit City College in the first game of the 1933 calendar was the occasion for much rejoicing. "T. W." got the appelation of

"crepehanger," but he was right as usual when the rest of the schedule came along, and breezed right past us with but one exception.

"Tim" Brewster starred in this eye-opener, with line-bucks and three touchdowns. Alloway made one and a point after; Wagner, sophomore sub for Clauss, also crossed the last Detroit stripe, and "Scotty" Florence converted twice with placements.

The Buckeye debut was inconspicuous; the team had an outside chance to take Marshall, but ended on the wrong end of a 19-0 score. Brewster's work on the defense was sparkling, as was that of Keller, Hawkins, and Stanforth, all sub linemen. Zontini scored twice and Goyette once for Marshall. Kincaid's placement was the only completed try for the extra point.

"The Big Red" of Denison, notoriously weak and previously twice defeated, were beaten 6-0 for Wittenberg's only other 1933 victory. The Lutherans gained over four times as much territory through the air as did Denison, and had a 13 to 8 advantage in first downs. Wright, returning to the team after absence due to injuries, acquitted himself well with defensive work, driving runs and the lone touchdown. Alloway, Brewster, Hawkins and Stanforth also stood out in their performances.

Homecoming Day dawned bright and clear, the optimists admitting that Wittenberg had a chance to beat Ohio Wesleyan and the pessimists that it was a good day for the game. Wittenberg scored first and went into the second half down only 13-7. But superior manpower on the part of the "Battling Bishops" added 28 points in the third and fourth cantos. The final score—Wesleyan 41, Wittenberg 7. Wright scored the Lutherans' six-pointer, and he and Kurth, the latter acting-captain, carried the brunt of the attack and defense.

Miami was the third of the Buckeye opponents to whip Wittenberg, and won by the largest score of the season, 44-7. Alloway scored all of the Cardinal and Cream's points, and Wagner, acting-captain Neuman, Hawkins, and Signorella did most of the defensive work, such as it was.

The same old story, but with a different school: Ohio U. 39, Wittenberg 0, with Ohio scoring at least a touchdown in every period. Wright, starring whenever he donned the "Red Devil" uniform, was finally forced to quit because of recurrent injuries; his loss was keenly felt by the already too small Lutheran squad. Baughman and Neuman did the best defensive work for Wittenberg.

What the locals like to class as the best game of the year was against Cincinnati, when a highly-touted Bearcat eleven had to come from behind in the last quarter to win 14-6. And they had been conceded a six-touchdown victory at that. Toth was the raging lion, scoring for Wittenberg in the third, and kicking out of danger repeatedly. Runge, Keller, Schofer and Clauss, in fact, every player who got into the game, did what was expected of them and more. Schwarburg and Nolting garnered the Cincinnati touchdowns and Ruck completed two placements for the conversions.

After the Cincinnati game, dopesters thought that the Cardinal and Cream might have a chance to add a third win, but Dayton, aided by a one-hundred-forty-five pound back by the name of Hannegan had too much on the ball. Alloway saved the Lutherans from utter disgrace, scoring on a pass from Florence. The score: Dayton 31, Wittenberg 6.

Frank Toth, a sophomore fullback, square, chunky and tough, represented Wittenberg on the Associated Press All-Buckeye second team, "Red" Kurth, Paul Runge, and "Chief" Alloway received honorable mentions. Coach Stobbs recommended 21 members of the squad for varsity "Ws"; those receiving blankets for three-year service were Forest Neuman, Frank Kurth, Earl Wright, "Tim" Brewster, and Roy James. Coat-sweaters, for two-year service, went to Ralph Alloway, William Clauss, Paul Runge, and Arthur Meder. John Sakola, Dale Miller, William Keller, Robert Hawkins, Donald Stanforth, Patsy Signorella, Dudley Graham, Willis Baughman, Frank Toth, Alfred Florence, Paul Schofer and John Wagner received slip-over sweaters as first-year awards.

Basketball

THE last basketball season within the Buckeye loop was another disaster. Wittenberg, co-holder with Ohio U. of the 1932-33 crown, fell to fourth place with an even .500; Ohio was one place lower.

The season started with the traditional Christmas week road trip, on which the Fighting Lutherans were tripped four out of four. Games were lost in Indiana to Evansville 50-25; to Depauw 26-24; to Indiana State Teachers 39-22; and to Earlham 53-31.

First of the eight victories during the season came as an overtime win from the traveling Tigers of Princeton U., entertained in the Fieldhouse for the first home game of the season. The score at the end of the regulation period was 30-all, and the final, 37-33.

The Big Red of Denison was humbled next; the final score 32-23. Traveling to Oxford for a game with Miami's Redskins was a faux pas on the part of the Lutherans; they lost the first Buckeye encounter, and Miami won its first loop game in two years, 33-19.

The first home loss since the 1931-32 season was to Marshall, 37-24. In the next game, with Cincinnati U., the Bearcats were "on" like few teams have ever been, and the Lutherans dropped the fray, 56-36. Grandle, Cincy, made a new conference record with 11 field goals and added two from the charity stripe for a total of 24 points.

First of the five league games to come Wittenberg's way was the game here with Ohio U., ending 32-27. Wesleyan was visited next and succumbed to, the Bishops on the long end of a 54-28 score. Miami here was a case of sweet revenge, going home 18 points behind. The final score: 47-29.

Dayton fell next, 43-21. Starting on the second half of the schedule, the team partially redeemed itself for past misdemeanors by taking the second of the series with Ohio U., winning 37-32 at Athens. Marshall at Huntington, W. Va., was also subdued, losing 34-27. It was the first conference defeat of the season for the Thundering Herd and gave Wittenberg a chance to finish at or near the top.

But it was not to be so. Cincinnati, after being held down 21-12 in the first half, steadily diminished the Lutheran lead and won 38-34. That game will probably be remembered more than any other of the season, because of the suspense involved. Up to the last minute it seemed that Wittenberg would come through, but, alas and alack, Cincinnati, incidentally, was the only team that beat the Lutherans twice during the season.

Denison, at Granville, was superior to the Denison that played here and won 35-29. The same was true of Dayton, at Dayton, where the Fliers won handily by a 35-27 score.

One of the two victories standing out to make the season somewhat of a success was the home-floor victory over Wesleyan, the last home game of the season. The crowd was estimated at 2,000 persons, the largest of the year. Accuracy from the foul line enabled the Cardinal and Cream to take the Battling Bishops, ancient and honorable rivals, by a seven-point lead. The final score was 33-26. For floorwork and defense, this game was variously decided as the best of the season.

St. Xavier, of Cincinnati, suffering only a loss to Notre Dame in nine starts, was too good for the Lutherans in the last appearance of the 1933-34 edition of the team. They won 47-38, always increasing the lead.

Elwood Pitzer must be considered the outstanding player of the season. After recovering from a pre-season leg injury, he started things going. He was instrumental in the win over Princeton and also in the following seven. Fred Buescher, converted from understudy to Roy James, giant pivot-man, to guard, "was a bear on the defense."

Dale Miller, playing his first season of varsity basketball, was the surprise of the season. Although it was his senior year, he went out for football, basketball and baseball for the first time, and succeeded in winning two letters. His third, in baseball, seems to be on the way.

Eight players received varsity awards. Two, Pitzer and James, received their third; Buescher, Charlesworth and Hamilton, their second; and Donahue, Miller and Florence, their first. Florence and Donahue will be the only lettermen available next year. Frank Jackson was varsity manager.

First place on the Associated and United Press All-Buckeye and All-Ohio five went to Pitzer for his stellar all around ability. James and Hamilton received honorable mention.

Fencing

WHEN the Ohio Intercollegiate Fencing Association broke up after the 1932-33 season, Wittenberg was left without a conference in which to defend its championship. But good matches were arranged nevertheless, with both students and townspeople taking an interest never before shown in these parts.

Matches were lost to Case, Fenn and Michigan State, and were won from Ohio Northern, Fenn, and Case.

Neuman, smashing saberman, Shinowara, foil and epee star; Rotzel, foilman; and Howard, epee wielder; were awarded minor letters for services. An upward trend in fencing was evidenced by the employment of Roscoe Rilling, former Wittenberg fencer, as the first non-student coach.

The season's record:

Wittenberg	5—Michigan State	11
Wittenberg	10—Ohio Northern	7
Wittenberg	8—Fenn	9
Wittenberg	9—Case	6
Wittenberg	10—Fenn	7

TEN dual meets were the lot of the Cardinal and Cream natators, and the season's record was fair, considering the type of opposition. Three wins, one tie, and six losses were recorded.

Wins were over Ohio Wesleyan, two of them, and Fenn. The tie was also with Fenn, and the losses were handed down by Case and Western Reserve, the University of Cincinnati, and the Eagles' Water Sports Club, Richmond, Ind., two each.

Good material in the persons of Hicks, Palm and Leatherman, yearlings, was uncovered for future use. Numerals were awarded them for their services.

Kiester, captain and back-stroker, Hopkins and Roth, breast-stroke swimmers; Ed. Lamb and Amado Jiminez, divers; and Rankin, free-styler; were awarded minor sport letters.

Intramurals

WITH the opening of the fall term the men of Wittenberg College enter into one of the most diversified and well conducted intramural programs ever attempted by any college in the middle-western states. From statistics procured from the director of intramurals, Anthony Tuccinardi, it was found that 80% of the total number of boys enrolled in college participate in intramural activities. Activities include the following: speedball, indoor baseball, volleyball, basketball, foul shooting, swimming, handball, softball and track.

The groups entering competition this year include Beta Theta Pi, Alpha Tau Omega, Phi Mu Delta, Delta Sigma Phi, American Commons Club, Phi Kappa Psi, Theta Kappa Nu, Dormitory, Seminary, Phi Gamma Delta and Pi Kappa Alpha. Every year the All-Sports trophy is awarded to the group that finishes highest in the standing after all the sports have been completed.

According to all indications, Pi Kappa Alpha will win the softball, while the winner of the handsome All-Sports trophy may be either the group representing the Dorm or the group representing Phi Gamma Delta.

The first sport on the calendar was speedball. There were two leagues; the Dorm won one, while the Phi Gams captured the other. In the play-off, the Phi Gams completely subdued their opponents, to capture the championship.

The next sport to test ability of the participants was indoor baseball. After many exciting contests played in each league it was found that the Dorm and the Phi Gams were to meet in the play-off. The resulting contest produced many thrilling plays but as before, the Phi Gams won the championship.

Lower picture — Frick, Kurth, Graham, K. Lamb

Volleyball was the next activity in line, and the Pi Kappa Alpha and Beta Theta Pi lads completely dominated the field, with the Pi Kaps being returned the winner in the play-off.

From all indications the next sport, basketball, was the most popular of all the intramurals. The teams of each group were divided into two leagues, A and B. After the smoke of the ensuing battles had passed away, it was found necessary to have a play-off in each league. In league A the Phi Gams defeated their arch rivals, the Dorm, in a hotly contested battle, while the Delta Sigs bested Alpha Tau Omega for league B honors.

Glen Stevenson won the individual foul shooting championship. Representing the Dorm, he tossed in 56 out of a possible 70. Right on his heels was James Keyser, also of the Dorm, who made good 54 throws. The Dorm won the team foul shooting, closely followed by the A. T. Os. and the Phi Gams.

Swimming, the next item of competition for the college lads, was completely dominated by two groups, the A. T. Os. and the Phi Psis. These two groups battled furiously and not until the final event had been completed did the Phi Psis (the winners) breathe easily.

Starting as an obscure sport, handball has risen to a place of prominence on the long list of intramural activities. This year, the winning group, Phi Gamma Delta, was not sure of victory until their last opponent, the Dorm, had been defeated.

Beautiful plaques are given to the group whose team wins first in a sport. So far the Phi Gams have won four, and the Dorm, Phi Psis, Pi Kaps, and Delta Sigs one each.

Baseball

CREDIT where credit is due, and undoubtedly it should go to "Big Roy" James, football, basketball and baseball star. In the first game of the season, against Denison, he pitched himself into the collegiate diamond hall of fame with a no-hit, no-run game. His team-mates, in the meantime, pushed across the plate six of what it takes to win ball games. James struck out 19 of the men who faced him.

Miami was beaten 5-4; James fanned 15 Redskins in sweet revenge for defeats in football and basketball suffered at their hands.

Cincinnati took advantage of a tired Wittenberg team to win a free-hitting contest by a 10-6 score. Otterbein was shut out in the next encounter 6-5, but only after tightening up in the ninth. James added 15 more strike-outs to his credit.

One for the books occurred in the first game with Dayton. The Flyers arrived here for a game with Wittenberg and the Fighting Lutherans traveled to Dayton to play there. Returning to Zimmerman field for a late afternoon game was bad, because the Flyers found James and Carey, who relieved the veteran, for 21 hits, and won 18-6.

Ohio Wesleyan visited here next and won by a six-run margin, 10-4. Denison, at Granville, was humbled 12-6, but at Huntington, W. Va., the Thundering Herd of Marshall continued in its winning Buckeye ways and won 5-0, allowing but two Wittenberg bingles.

Stobbs ,Wiekart, Hackenberg, Ott, Holmgren, Miller, Turner, Tripp, Richards, Collins, Baughman, Davenport, Trimbur, Siewert.
Westphal, Carey, Alloway, James, Clauss, Lanzer, Donohue, Florence, Tuccinardi, Whitaker.

Wittenberg's games with Buckeye teams will be counted in the B. A. A. ratings for this spring, but at the time this goes to press chances are slim for winning the last of the Buckeye crowns for which the Lutherans are eligible.

Games listed for the remainder of the season are:

May 8—Ohio Wesleyan at Delaware.
May 11—Marshall at Springfield.
May 15—Miami at Springfield.
May 19—Cincinnati at Cincinnati.
May 23—Dayton at Dayton.
May 26—Otterbein at Springfield.
June 1—Alumni at Springfield.

Women's Athletic Association

AMONG the events sponsored by the Women's Athletic Association this year was a high school play day in which girls from 13 schools participated. Contestants were grouped into color teams irrespective of schools. Following registration, the taking of group pictures and a get-acquainted period, the guests began an afternoon of contests, which included cageball, relay races, baseball pitch, foul shooting, badminton, golf, ping-pong, shuffleboard, apparatus work, and stunts. Girls grouped in the orange team finished ahead of blue, green and yellow teams with 132 points. The others scored 114, 103, and 101 points, respectively.

Swimming and dancing followed the competition. The guests were feted at a banquet in Ferncliff Hall in the evening, at which Dr. Rees Edgar Tulloss, president of the college, welcomed the guests and spoke to them of the advantages of Wittenberg. Miss Louise Dreisbach, Findlay, senior, president of the Women's Athletic Association, also spoke. Miss Marion Kiester, Middletown, led in group singing.

Twenty-one girls, accompanied by Miss Lida Hays and Miss Ruth Helsel, went to the University of Cincinnati on Saturday, March 10, to participate in the play day at which 14 colleges were represented.

Members of the W. A. A. served dinner to the high school senior boys who attended Wittenberg's Visitation Week-end in April.

Those in charge of sports during the year are as follows: volleyball, Frances Grube; soccer and hockey, Phyllis Kiel; baseball, Louise Bell; archery, Isabel Scheidemantel; basketball, Mildred Recknagel; tennis, deck tennis, and ping-pong, Margaret Oldham; hiking, Mary Leidig; and swimming, Margaret Schlegel.

DURING the year the Women's Athletic Association held basketball and volleyball tournaments for the class teams, as well as hockey, baseball, tennis, ping-pong, and swimming.

The Sophomores won the basketball tournament by winning their last and deciding game from the Junior-Senior team, who placed second.

Volleyball was strongly contested with the first place finally going to the Junior-Senior team. In this the Sophomores were runners-up.

Baseball, tennis, ping-pong and swimming contest results are not complete.

Approximately 65 girls started in the W. A. A. hockey tournament last September. Several practice games were played with Antioch, and with other colleges at Ohio State's Play Day. One game at Columbus with State ended in a 2-2 tie. At Antioch their upperclassmen beat the Wittenberg Junior-Senior team 7-0; the Antioch Freshmen also won 4-2.

In the interclass games the Sophomores took first place with the Junior-Senior team as runners-up.

On the Junior-Senior team were: Myra Bahr, Maisie Banning, Betty Davis, Louise Dresibach, Louise Bell, Vera Howell, Mildred Recknagle, Margaret Oldham, Frances Grube, Elizabeth Lemen, Marian Kiester, Phyllis Kiel, and Dorothy Cowden.

On the Sophomore team were: Jane Boyd, Mary Louise Grimm, Kathryn Ryman, Martha Pendleton, Marjorie E. Hyatt, Georgianna Boyd, Margaret Schlegel, Edith Mason, Martha Morris, Helen Park, Ruth Lamb, Janie Kuhn, Mildred Schoenfeldt, Ruth Leamer, Beatrice Ross, Maxine Mitchell, Mary Lee Burns, Ruth Brelsford, and Marth a Glenn.

On the Freshmen team were: Mary Lou Brand, Beatrice Murray, Sally Easton, Edith Brooks, Marguerite Sondergelt, Helen Noonan, Edith Malloy, Virginia Schoedler, Helen Kruger, Norma Gentes, Sylvia Young, Ruth Stough, Elinor Fisher, Peggy Dent, Iva Collins, Virginia Cross, Betty Borchers, Margaret

Dorst, Ola Dibble, Helen Fisher, Doris Dimpfl, Mary Metz, Pauline Metzger, Loretta Boger, Lula Belle McCauley, Jane Edwards, Evelyn Fahrion, Laura May Beery, Janette Spademan, Margaret Millis, Marva Schultz, and Ruth Jean Gordon.

In the intramural tournaments this year Beta Phi Alpha teams have won outstanding victories.

In volleyball, captained by Margaret Schlegel, they were undefeated with 51, points. Second place was held by Gamma Phi Beta, and Kappa Delta, with 20 points each.

Louise Dreisbach captained the same Beta Phi six through a close season of basketball without the loss of a game, and 50 more points to their credit. The Alpha Xis and Kappa Deltas tied for second place with 15.

With the total of 15 points in the foul-shooting contest the Beta Phis took another first place. Their total of baskets for five girls was 139 out of a possible 250. Louise Dreisbach sank 20 out of 25 shots for individual honors. The Alpha Delts placed second, and the Alpha Xis third.

ORGANIZATIONS

Pan-Hellenic Council

THIS year members of Pan-Hellenic Council made a special effort to promote good will between members of different sororities. A plan of rotation of dinner guests was followed whereby some girls from each group ate at another house every two weeks.

The Wittenberg Pan-Hellenic Council was founded in 1921. Its purpose is to regulate rules for the pledging of new members and to secure cooperation of all social groups with the college and with each other.

Besides formulating the rush rules for the year, this year's council sponsored a formal dance at the country club, a bridge tournament, and helped with girls' visitation week-end.

In conjunction with the council, a president's council was formed this year. It is a resumption of such an organization formed several years ago, but subsequently abandoned. Its members are the presidents of the women's social groups, who met once each month to discuss problems met by the groups and methods of solving them.

The Pan-Hellenic Council itself is composed of two delegates from each sorority, and meets in Ferncliff Hall once a month.

Ferncliff Hall

FERNCLIFF HALL as we see it today is one of the more recent additions of the college. The original part, the north-west wing, was first the old Wittenberg Academy. With the expansion of the college, this section became the women's dormitory until a generous contribution by Mrs. Lovina Openlander provided a larger brick building. The present modern structure was designed to accommodate approximately 140 women.

The social functions of Ferncliff this year have been many and varied. With the All-College dinner replacing our annual Christmas dinner, an unusual party was held in the assembly room after all had come in from the dinner. Perahps the most successful and enjoyable affairs have been the faculty dinners, especially the one given in April in honor of Dr. Mary Markley. These dinners gave faculty and students an opportunity to become better acquainted and proved to be the outstanding events of the year. Ferncliff Hall was fortunate this year in having two distinguished visitors, Miss Florence Jackson, vocational consultant of Wellesley College, and Dr. Mary Markley, educational secretary of the United Lutheran Church.

Alpha Delta Pi

Chi Chapter

ALPHA DELTA PI claims the distinction of being the oldest collegiate sorority. It was founded as the Adelphian Society on May 15, 1851, at Wesleyan Female College, Macon, Georgia, by five women. Eugenia Tucker (Fitzgerald) was the first president, and there were 16 charter members. The purpose of its founding was "for bettering one another and themselves morally, mentally, and socially."

In 1904 several of the women of Alpha chapter applied for a charter, which was granted to Alpha Delta Phi sorority. This name was retained until 1913, when the third letter was changed, and it became known as Alpha Delta Pi. The first chapters were formed in the south, but at present the chapter roll is evenly distributed throughout the United States.

The local sorority, Gamma Beta Gamma, was organized at Wittenberg College by seven women on March 4, 1913. These women realized the benefits to be derived from such an organization, in view of the increasing number of coeds in attendance at Wittenberg. They organized with the intention of becoming affiliated with a national. A petition to Alpha Delta Pi was presented in person by Carolyn Trefflinger, and installation took place on Nov. 20, 1913, at the home of Mrs. L. S. Keyser, one of the patronesses of the sorority.

Zeta Chapter

ALPHA XI DELTA fraternity was founded at Knox College, Galesburg, Illinois, on April 17, 1893. Zeta chapter of Alpha Xi Delta is the oldest national women's fraternity on the Wittenberg campus. In 1904 Alpha Xi Delta chartered as its Zeta chapter the second local sorority on the campus, Sigma Pi, founded the year before by seven coeds.

Alpha Xi Delta is an outstanding Greek letter group in the United States, and is now comprised of 53 active chapters—a total membership of approximately 8,000.

The government is through a convention held biennially, and a national chapter made up of the national council comprising the national officers and representatives from each chapter.

The badge is a golden quill on the feathers of which are the letters in burnished gold. The flower is the pink rose. The colors are light and dark blue and gold.

The foundation and support of a missionary school at Carcasonne, Kentucky, is a national altruistic project of the fraternity. A scholarship fund is also maintained by Alpha Xi Delta.

Fraternity publications are the quarterly journal, the "Alpha Xi Delta," and the song book.

Two active members of the Zeta chapter won the scholarships to France and Germany for graduate study.

An alumnae member of the class of 1930—Margaret Sittler—has received a fellowship at the Library of Congress, an honor which annually comes to the most outstanding student of history in the United States.

Beta Phi Alpha

Omega Chapter

BETA PHI ALPHA was founded on the University of California campus, Berkeley, California; the first college fraternity for women to originate on the Pacific coast. It was founded on May 8, 1909, with the ideal of broad service and the desire to elevate, refine, and broaden the outlook of all women coming into contact with the organization. The founders were Ida Louise Rinn, Hattie Paul, Edith Harriman Scott, Elsa Ludeke, Anna Nelson, and Lydia Taylor. In 1923 Beta Phi Alpha became a member of the National Pan-Hellenic Council, the first to be admitted after a period of nineteen years. Prominent among the alumnae is Harriet Tuft, secretary of the National Pan-Hellenic Council.

With its national program policy Beta Phi Alpha has led the way among women's groups in the movement for weekly programs in fraternity chapters. To encourage high scholarship a bronze plaque designed by Roger Noble Burnham is given each year to those chapters ranking in the upper 20% of the women's groups on the campus.

The fraternity magazine is called the "Aldebaran." "Scientia, Virtus, Amicitia" is the open motto; the flower is the yellow tea rose; and the fraternity colors are green and gold.

Omega chapter of Beta Phi Alpha was instituted on the Wittenberg campus in 1931. The group was formerly known as Chi Delta Omega, founded in 1923 with the motto: "To create a more friendly spirit, to help promote college activities, to establish higher scholarship, and to develop loyalty to our Alma Mater."

Tau Gamma Chapter

TAU GAMMA chapter of Chi Omega enjoys the distinction of being the first women's group to provide a German Exchange scholarship. This year the chapter sent Rose Manny, Dayton, to the University of Berlin, and received in exchange Margaretta Driver, Leipzig. Every second year the scholarship may go to a member of the group, the other years it is open to any eligible woman on the campus.

Social privileges have been extended to Dorothy Cowden, Alpha Gamma, during the past year.

Chi Omega was founded April 5, 1895, at the University of Arkansas, Fayetteville, Ark. It was established at Wittenberg May 17, 1924.

At present it is the largest women's national fraternity, having 89 chapters. The colors of the fraternity are cardinal and straw, and the flower is the white carnation.

Among the interesting alumnae of Chi Omega are Mary C. Love Collins, Mabel Walker Willebrand, Dorothy Jordan, and Elizabeth Dyer.

Gamma Phi Beta

Alpha Nu Chapter

GAMMA PHI BETA was founded on November 11, 1874, at Syracuse University, Syracuse, N. Y., by Francis E. Haven, E. Adeline Curtis, Helen M. Dodge, and Mary A. Bingham. Their purpose of the sorority was to strive for culture, ideals, and friendship. The sorority colors are double brown and the flower is the pink carnation.

A quarterly magazine, "The Crescent," is issued throughout the school year by the active and alumni chapters. At present there are 44 active chapters.

Tau Delta Theta, the oldest sorority on Wittenberg campus, founded in 1901, was granted a chapter from Gamma Phi Beta in 1929.

Some prominent Gamma Beta members are Emily Post; Charlotte Kellogg; Grace Smith Richmond; Margaret Wilson, daughter of the late President Wilson; and Marguerite Woodworth, youngest dean of women in the United States.

KAPPA DELTA sorority was founded on October 23, 1897, at Virginia State Normal, by Lenora Ashmore, Sara Turner White, Julia Tyler Wilson and Mary Summerville Sparks. Throughout its 37 years of existence it has grown until it now consists of 73 active chapters and 93 alumnae associations, ranking fourth largest among the national Pan-Hellenic sororities.

Three major financial projects are being carried out by Kappa Delta. In 1917 the Student Loan Fund was established for the purpose of offering financial assistance to worthy Kappa Deltas in order to enable them to complete their college work. The total expenditure amounts to more than $50,000. Two years later the Chapter House fund was established, whereby chapters ready to build or buy houses may secure a lower rate of interest on the money than they could secure elsewhere. At present the time Kappa Delta owns 30 houses. Finally, in the state of its birth Kappa Delta carries on its philanthropical work, maintaining four beds as well as the dental room in the Crippled Children's Hospital at Richmond, Va.

As a memorial to its founders, Kappa Delta has erected a memorial, in the form of a carved bench and sundial, resting upon a green tile base, on the campus where it was founded.

On September, 1934, Sigma Phi Beta, National Sorority, amalgamated with Phi Omega Pi, National Sorority.

Phi Omega Pi was founded March 5, 1910, at the University of Nebraska, Lincoln.

There are at the present time 21 active chapters and 36 alumnae chapters.

One of the traditions of the sorority is an annual Founders Banquet, at which time a special Birthday Fund is collected for the purpose of giving the sorority a present on its birthday.

Founders of the group are Vera Bortone Goeller, Mary Oliver, Helen Hughes, and Francis Chatburn.

The Pentagon of Phi Omega Pi is the official, monthly, sorority publication.

Inter-Fraternity Council

THE INTERFRATERNITY COUNCIL was founded to create cooperation and friendliness among the social fraternities on the Wittenberg campus. Each active social fraternity on the campus is represented in the council by members from the junior and senior classes.

During the past year members have met on the third Tuesday of each month in the fraternity houses of the different groups, after conducting a business meeting, the members remaining for dinner at the house at which the meeting was held.

Cooperative buying is made possible for the groups through the Council's organization of the Stewards' Association.

Favors at formal dances were abolished by the Council, and entrance into the National Interfraternity Council is being considered. Each year the Council sponsors the Interfraternity Bridge and presents the winning group with a silver loving cup. This year the Council's spring dance was held at the Masonic Temple.

ALPHA TAU OMEGA was founded at Richmond, Virginia, on September 11, 1865, and its first chapter was established at Virginia Military Institute, where the founders, Otis Glazebrook, Alfred Marshall, and Erskin Mayo Ross were finishing their college careers. The fraternity was a result of the Civil War. These young men were filled with the desire to unite the country and founded Alpha Tau Omega as a means of uniting the young men of the country in a brotherhood founded upon Christian principles.

Alpha Tau Omega is the largest national fraternity on the Wittenberg campus, at present there being 93 active chapters of the fraternity in 44 states. The membership exceeds 30,000. Seventy-one active alumni associations give evidence of the fact that the fraternity continues to be a vital force in the lives of its members after college days are over.

The colors of the fraternity are gold and sky-blue; the flower, the white tea-rose.

Ohio Alpha Psi was founded November 8, 1883, by N. Wiley Thomas, a member of the chapter at the University of Pennsylvania, and at that time an instructor at Wittenberg College.

Prominent alumni include: Norman H. Davis, ambassador-at-large; Robert W. Bingham, U. S. ambassador to England; Robert L. Bullard, commander of the Second Army, A. E. F.; the late Thomas Arkle Clark, dean of the University of Illinois; Robert L. Saner, president of the American Bar Association; Dr Arthur Compton, physicist and Nobel prize winner; Dr. Karl T. Compton, president of Massachusetts Institute of Technology; Walter H. Page, editor of "World's Work" and "Atlantic Monthly" and former ambassador to England; General Blanton Winship, governor of Porto Rico; Rev. Frank N. Beta Theta Pi

Alpha Gamma Chapter

ALPHA GAMMA chapter of Beta Theta Pi was established on the Wittenberg campus January 18, 1867. Nationally the fraternity was founded at Miami University, in Oxford, Ohio, and was the first group founded west of the Allegheny mountains. The date of the national founding was August 8, 1839, and the founders were John Reilly Knox, Samuel Taylor Marshall, David Linton, James George Smith, Charles Henry Hardin, John Holt Duncan, Michael Clarkson Ryan, and Thomas Boston Gordon.

Alpha Gamma is the second oldest fraternity on the Wittenberg campus.

In November, 1931, Alpha Gamma moved into the commodious dwelling at 723 Woodlawn Avenue, that they now occupy. Fraternity colors are pink and blue.

Alumni associations are maintained in all of the principal cities of the United States. Of the eighty-seven chapters, all own their own houses with the exception of Kenyon, which has a temple for meetings.

The Beta Theta Pi, the official publication of the fraternity, was founded in 1872, and has been published continuously since that time. It is the first fraternity publication to be published in the United States.

Prominent alumni include: Owen D. Young, capitalist; Willis VanDevanter, United States Supreme Court justice; Robert M. LaFollette and William Borah, United States senators; "Ding" Darling, cartoonist; and Harry S. Dennison, manufacturer. Nine state governors at the present time are Betas.

Delta Sigma Phi

Beta Iota Chapter

DELTA SIGMA PHI was founded at the College of the City of New York on December 10, 1899. Membership is confined to men of the Caucasian race, whose "ideals and beliefs are those of modern Christian civilization." There are 43 active chapters with a total membership of about 8000 men. Nineteen alumni organizations are located in various large cities. The group has had a steady, conservative growth, having examined all petitioning chapters carefully before granting them charters.

To promote interest in scholarship and athletics, two awards are competed for and awarded annually. Since 1907, the fraternity has published a quarterly exoteric magazine called "The Carnation." Nile green and white are the fraternity colors; the white carnation is the fraternity flower.

Some prominent members of the fraternity are: Hon. James J. Davis, former Secretary of Labor; Dr. Leo S. Rowe, Secretary of the Pan-American Union; Wynn G. Rogers, Chief Justice of the Louisiana Supreme Court; and Jan Garber and Ted Weems, orchestra conductors.

Beta Iota was founded on the local campus in the spring of 1922, as the Sadhe Aleph Brotherhood. John Luther Seng, Joseph W. Frease, Roy D. Metcalf, Howard W. Kauter, and J. Howard Laughner were the founders. Their purpose was "to unite, in affectionate brotherhood and clean fellowship, men of high ideals and Christian virtue."

In the spring of 1927 the Hebrew name, "Sadhe Aleph" was changed to its Greek translation, Alpha Theta Alpha. On April 9, 1932, the group was installed as the Beta Iota chapter of Delta Sigma Phi.

An extensive social program, consisting of two formal dances, three informal dances, six banquets, nine smokers, and two picnics, has provided entertainment throughout the current year.

Sigma Chapter

THE fraternity of Phi Gamma Delta was founded at "Fort Armstrong" a dormitory of Jefferson College, Canonsburg, Pa., May 1, 1848, by John Templeton McCarty, Samuel Beatty Wilson, James Elliott, Ellis Bailey Gregg, Daniel Webster Crofts, and Naaman Fletcher. During the 86 years of its existence Phi Gamma Delta has grown to an active roster chapter of 73, two of which are at Canadian universities. A strong alumni organization has been gathered into 73 undergraduate chapters and 30 graduate associations.

"The Phi Gamma Delta" is the official publication, appearing seven times a year. Royal purple and white and the purple clematis are the official colors and flower, respectively.

Sigma chapter of Phi Gamma Delta was the fourth fraternity to be founded on Wittenberg's campus, absorbing the Sigma society in 1884. This spring the chapter is celebrating its fiftieth anniversary and some of its most prominent alumni, including three of the founders, are planning to be present.

Most prominent among alumni members are the late ex-President Calvin Coolidge; Vice-Presidents Thomas R. Marshall and Charles W. Fairbanks; General Lew Wallace; Zebulon Vance; Newton D. Baker; Christy Mathewson; Dr. Frederick H. Knubel, president of the United Lutheran Church; Byron Foy, president of DeSoto Motors; Jefferson Machamer; Rockwell Kent; and Charles P. Steinmetz, mathematical and electrical expert. Prominent among Sigma alumni are Rev. LLoyd C. Douglas, '00, author of "Forgive Us Our Trespasses"; Dr. George P. Krapp, '94, responsible for a modern version of "Troilus and Cressida"; and Clifford S. Raymond, editor of "The Chicago Tribune."

Phi Kappa Psi

Ohio Beta Chapter

OHIO BETA chapter of Phi Kappa Psi claims the distinction of being the oldest chapter on the campus, having been installed in 1866. Since that time it has been in continuous active existence, culminating its years with the building of new the chapter lodge on the corner of the campus.

Phi Kappa Psi was founded at Washington and Jefferson College in 1852 by Charles Moore and Thomas Letterman. Its growth has been steady, and now has a chapter enrollment of fifty, from New Hampshire to California. The fraternity is governed by an executive council which is responsible to a grand council held every two years. The colors of the fraternity are cardinal red and hunter green, and the flower is the Jacquement rose. The fraternity publishes the Shield for all members, and the "Mystic Friend" for private circulation. Incidentally the "Shield" was founded by members of the Ohio Beta chapter in 1885. In 1922 the local chapter was host to the national convention of the fraternity.

Prominent members of the group include Woodrow Wilson, former United States president; John W. Davis, senator from West Virginia; James E. Watson, senator from Indiana; James Whitcomb Riley, the Hoosier poet; Walter Hampden, foremost American actor; and Charles "Buddy" Rogers, of the stage and screen.

PHI MU DELTA was founded in March, 1918, being composed of the national organizations of Commons Clubs. This latter organization was founded at Wesleyan University, at Middletown, Connecticut. The Connecticut, Vermont, and New Hampshire chapters are the mother chapters. The fraternity has at present a total of sixteen active chapters. The work of the fraternity is carried on during the year by an executive committee, which is made up of alumni and active presidents and other office holders of each chapter. An annual meeting of this committee is held each year.

The local group, Mu Delta chapter, was chartered in 1930. Before that time the fraternity was known as Pi Theta Phi, which was an outgrowth of the Dorm League.

The local chapter of Phi Mu Delta is unique in being the first social fraternity in the United States to sponsor a foreign exchange scholarship. Each year the group receives a German student from a German university, and every year a Wittenberg student is sent to Germany through this scholarship. On alternate years a member of Phi Mu Delta is given advantage of this scholarship. At other times a student is chosen from the college at large to represent Phi Mu Delta in Germany. At the present, Paul Barker is studying in Germany and Baron Hans Joachim von Preuschen is studying at Wittenberg.

The fraternity publishes a quarterly magazine known as the "Phi Mu Delta Triangle." The local monthly publication is "The Password."

Pi Kappa Alpha

Gamma Zeta Chapter

PI KAPPA ALPHA was founded at the University of Virginia on March 1, 1868, by Frederick Southgate Taylor, Julian Edward Wood, James Benjamin Sclater, Littleton Waller Tazewell, Robertson Howard, and William Alexander; whose friendship while serving in the Confederate army during the Civil War resulted in the formation of the fraternity.

Due to the unsettled conditions in the South following the war, the fraternity had a difficult struggle for existence, but the first convention held in 1889 at Hampden-Sydney College resulted in the reorganization of Pi Kappa Alpha and the beginning of an era of prosperity and expansion.

Strong feeling in the South against the North caused the expanison to be limited to the southern and western states until 1909, when the ban was lifted. Since that date chapters have been chartered throughout the United States, until now 80 chapters are located at leading colleges and universities.

The official publication of Pi Kappa Alpha is the "Shield and Diamond" which is issued five times during the school year. Two secret publications, "The Dagger and Key" and "The Bulletin" are published at intervals by the Supreme Council, and are distributed to members only.

The government of the fraternity is vested in a Supreme Council, while legislative power rests in the national conventions held biennially.

The colors are garnet and gold, and the flower is the lily of the valley.

The Wittenberg chapter was founded as the local fraternity, Pi Alpha Epsilon on Feb. 22, 1922. It became Gamma Zeta chapter of the Pi Kappa Alpha fraternity on Jan. 2, 1926.

Prominent alumni of Pi Kappa Alpha include: United States senators Oscar Underwood, Alabama; Harold S. Tolley, New York; L. B. Rainey, Alabama; Wm. C. Salmon, Tennessee; William Colmer, Mississippi; Governor I. C. Blackwood of North Carolina; Dr. John L. Newcomb, president of the University of Virginia; Dr. John R. Theta Kappa Nu

Ohio Gamma Chapter

THETA KAPPA NU was founded by the union of eleven well-established local fraternities at a meeting held in Springfield, Missouri, June 9, 1924. The leaders of this meeting were: Winslow S. Anderson, who was then serving as Professor of Chemistry at Rollins College; Otho R. McAtee, of Springfield, Missouri; the Reverend Jerry H. Krenmyre, a Methodist minister of Agency, Iowa; and Donald F. Lybarger, an attorney of Cleveland, Ohio.

As early as 1921 the idea of organizing a national fraternity to combine a number of existing locals had occurred to Mr. Anderson. During the early part of 1924, through the aid of several prominent fraternity leaders, he got in touch with Mr. McAtee, an alumnus of an old local fraternity at Drury College. Upon exchanging views, these two found that they had much in common, and they therefore entered into correspondence with a number of locals in different colleges for the purpose of calling the Springfield meeting. They were fortunate at this time in finding kindred spirits in Mr. Krenmyre and Mr. Lybarger, both alumni of strong local fraternities, with programs looking toward nationalization, who at once lent their support to the project. These four were chosen as the first grand council of the new fraternity, and were its real founders, having planned its constitution, ritual, business systems, and insignia, and having guided it in the formative period of its existence.

Since that time the organization has shown astounding growth, both in size and strength. At the first session of the Interfraternity Conference following the founding of Theta Kappa Nu, the fraternity was welcomed to junior membership. Within three years it was admitted to full senior membership in the conference.

Interfraternity Sing

PI KAPPA ALPHA won the tenth annual Interfraternity Sing held May 14 on the steps of Recitation Hall, climaxing the interfraternity activities for the 1933-34 school year.

The sing is sponsored annually by Phi Mu Alpha Sinfonia, men's honorary musical fraternity, who presents a cup to the winners. In former years a cup was rotated to winners until one group had won it three times. This year a new plan was inaugurated in that the cup won is to be kept and not passed to the next year's victors.

Each contestant entered sang two songs, according to the rulings, and in the order designated by drawings which were made immediately preceding the sing.

Theta Kappa Nu was the only group not represented.

Interfraternity Dance

The Interfraternity Council sponsored a dance Saturday, April 21, at the Masonic Temple. This concluded the combined activities of the social groups on the campus. With approximately 250 couples attending, the dance was one that will long be remembered.

Billy Grantham, the orchestra originally contracted, was unable to fulfill the engagement, but with Walt Sears furnishing the necessary rhythm the dance proceeded in an unforgetable manner. John Ritter, assisted by William Albin, comprised the social committee and were commended for their fine work.

HONORARIES

1934

Honoraries on Wittenberg Campus

HONORARIES on Wittenberg campus form an added incentive for students to maintain a high scholarship rating; to take a part in the many activities of the campus, and to develop leadership qualities.

The honoraries are found in all the fields of study on the campus, so that all deserving students may be honored by being admitted into their membership.

Membership into an honorary usually requires a scholarship quotient higher than the average of the school, outstanding work in the field in which the honorary is concerned, high moral standards, and certain definite leadership qualities.

Beta Beta Beta

Xi Chapter

BETA BETA BETA was founded in 1922 at Oklahoma City University as an honorary undergraduate fraternity for students of the biological sciences. At the present time there are 28 active chapters in the United States and three in foreign countries. By reserving its membership for those who attain a high scholastic record in the study of biology, it seeks to encourage further academic accomplishment in this field of learning. Beta Beta Beta emphasizes a three-fold program. Namely: stimulation of sound scholarship; dissemination of Scientific knowledge; and promotion of biological research.

Xi chapter of Beta Beta Beta was organized at Wittenberg in 1927. This chapter has gained high recognition among the campus organizations and in the furthering of scientific endeavor.

The chapter is continuing as its project for the year the classification of the various trees on the campus. Xi chapter now consists of 19 members, nine of the group being new initiates this year. A banquet was held for them at Yellow Springs at which Dr. Human of Antioch College presented a lecture on Photosynthesis and Chorophyll.

The annual spring picnic was held at Bryan Park.

Lambda Mu

LAMBDA MU, classical honorary society, was founded in 1932. Its active membership is limited to students from the Latin and Greek departments who have a "B" average grade for eight semester hours. Mr. Kuenzli, Dr. Ness, and Dr. Hiller are faculty advisers for the society. Its aim is to further the interests of the students to better interpretation and appreciation of the classics. At each meeting a paper dealing with a designated classical subject is presented. A plan is being used whereby every third year the same series of subjects are designated. This year papers were written on the epic and lyric poetry of Greece and Rome. The papers next year will deal with drama and oratory. The third years' papers will be devoted to art and philosophy.

Plans for an annual essay contest were completed this year. Rules for the contest were as followed: Themes must be on a classical subject taken from Latin or Greek, and must contain no less than 1500 words. A cup was presented to Miss Dorothy Lyle whose essay, "Martial and his Epigrams," was the best, in the opinions of the judges. The presentation of the cup was one of the features of the Honor Day program.

The annual banquet was given at the Marigold Tea room on May 10, before which time initiation was held for new members. Dorothy Lyle read her winning essay at the banquet. Mr. Kuenzli and Dr. Bloomhardt, two of the judges, were guests.

Newly-elected officers for the ensuing year are William Pifer, president; Jeanne Poland, vice-president; Alfred Updegraf, secretary-treasurer; and Frank Stevenson, sergeant-at-arms.

Pi Delta Epsilon

PI DELTA EPSILON, national journalistic fraternity, was founded at Syracuse University on December 6, 1909. There are 50 active chapters in the fraternity at the present time. The object of the organization is the cultivation and stimulation of interest in journalism and to improve and raise the standards of collegiate journalism through discussion of problems.

Membership in the local chapter, which was chartered and established in May, 1930, is based upon two years of active participation in any minor position on any of the college publications, or one year's work in a major position. Members are drawn from the Torch, campus weekly newspaper; the Wittenberger, college annual; and the Witt, campus humor publication.

The Wittenberg chapter was the outgrowth of a local organization known as Scroll and Quill which existed on the campus for several years with the purpose of promoting college journalism. Mr. K. G. Lind, publicity director of the college and journalism instructor, is the adviser to the local group of Pi Delta Epsilon. The national fraternity publishes a magazine, the "Epsilog," which is sent to all members

PI KAPPA SIGMA, national educational fraternity for women, was founded November 17, 1894 at Michigan State Normal School, now Michigan State Teachers' College, Ypsilanti, Mich. There are at present 32 chapters at the leading colleges and universities throughout the United States. The desire and aim of this organization is to create a professional spirit among those interested in the teaching profession.

Wittenberg chapter, Alpha Lambda, of Pi Kappa Sigma, was installed at Wittenberg May 30, 1930, to replace the local honorary, Pi Epsilon.

Regular meetings were held throughout the year for discussions, social events, and lectures. Several parties and a picnic were enjoyed toward the end of the school year.

PSI CHI is a national honorary society in Psychology founded September 4, 1929, during the Ninth International Congress of Psychology at New Haven, Conn. The Wittenberg chapter was granted a charter on Nov. 5, 1929, and was the second chapter to sign the national constitution of the society.

The purpose of the organization is primarily to advance the science of Psychology; and secondly to encourage, stimulate, and maintain scholarship of the individual members in all academic fields, particularly in Psychology.

The chapter has been able to increase its membership each succeeding year and now has the distinction of being one of the largest and most active of any of the honorary campus groups. It also claims the largest roll of faculty members of any honorary at Wittenberg.

Sigma Alpha Iota

Alpha Delta Chapter

IT WAS at the University of Michigan at Ann Arbor, Michigan, in the spring of 1903, that several young women students met and organized a musical club, the aim of which was "to draw together in a spirit of friendship the most talented and earnest women musicians in the school, so that by working together and helping each other the highest ideals in musical scholarship might be attained." On June 12, 1903, the club adopted the Greek letters Sigma Alpha Iota.

The local Wittenberg organization, Delta Nu, was founded as Alpha Delta chapter of Sigma Alpha Iota, June 2, 1928. Only the women of exceptional musical interest and ability are awarded membership in this organization. During the past year numerous activities have been carried on. In October a musicale tea was held at the Music School for the women students of the choir, orchestra, and music school. In April, Sigma Alpha Iota in collaboration with Phi Mu Alpha Sinfonia, men's music fraternity, sponsored the opera "Hansel and Gretel" which was imported from New York and Cincinnati. A dinner was held by the two groups on April 29, 1934.

Tau Kappa Alpha

TAU KAPPA ALPHA, national honorary forensic fraternity, was founded at Butler College, in 1908. In 26 years it has chartered 85 chapters. Originally it was a men's group, but now it admits anyone who has fulfilled the requirements of the local chapter. At Wittenberg, after one year of freshman debate, a student becomes automatically pledged to the fraternity providing he is promoted to the varsity debating squad. Then, after participation in one varsity intercollegiate debate he is eligible for initiation.

The purpose of the group is to promote debate and oratory and to interest students in participating in these activities. Wittenberg's chapter this year sponsored the annual oratorical contest in conjunction with Theta Alpha Phi, and the annual declamation and reading contest for all Ohio high schools, in addition to entertaining visiting debaters and orators.

This spring six new members were initiated. They were feted at a banquet afterward.

Tau Pi Phi

Wittenberg Chapter

DUE TO the great popularity of the business administration courses at Wittenberg, it was deemed fitting that the institution should have an honorary business fraternity. Thirteen students and four faculty members gathered on April 13, 1932, and accordingly founded Tau Pi Phi, a local honorary business fraternity having for its purpose the discussion of business problems and trends and the promotion of business ethics.

Charter members of the organization were: Dr. Daniel T. Krauss, Mr. Virgil H. Dassell, Mr. Eli A. Jensen, Mr. John L. Zimmerman, Jr., Betty Braun, Julia Enck, Wilda Cox, Louise Scheerer, John Plank, Lawrence McAfee, Robert Baer, Roland Stahl, John Wilson, Lawrence Kobelt, Frank Long, Richard Mayer, and Richard Camper.

As a part of its program each year Tau Pi Phi sponsors a series of lectures given by prominent business men concerning business conditions and problems.

Membership in the group is a distinct recognition due to the high requirements for admission.

Tau Pi Phi was the outgrowth of the local Commerce Club, which was originated for a similar purpose in 1930 by Dr. Krauss, Morris J. Lehman, and Gene Fast. Although Tau Pi Phi is merely a local at the present time, it is planned that some day it shall spread to other campuses and thus become a national organization.

Theta Alpha Phi

Ohio Delta Chapter

OHIO DELTA chapter of Theta Alpha Phi, honorary dramatic fraternity,s was established on Wittenberg's campus in 1925 with Prof. Paul R. Brees, Dr. G. P. Voigt, and Miss Rose Cadwgan as leaders. The fraternity has 63 chapters, open to those students who have achieved a certain standard of dramatic excellence. Membership, at Wittenberg, is limited to those who have taken part in two major or four minor campus presentations.

The annual campus play, "Varsity Nite" for fraternities, and several long plays during the year are sponsored by Theta Alpha Phi.

The cast of "Ingomar," last year's campus play, included Bert Shimp, Jeane Browne, Christine Chakeres, Willa Whited, Jack Millikan, Jack Dunkle, Carl Driscoll, Dan Bullock, Bitner Browne, Martha Dunbar, Roy Murphy, Henry Witten, R. Harold Thomas, Roger Imhoff, Forest Neuman, William Frick, and Erich Brandt. Prof. Brees was director; stage director, George Izenour; electrician, Harold Franklin; property man, Joe Price; and wardrobe tender, Esther Gehring.

Theta Chi Delta

Alpha Iota Chapter

ON MARCH 3, 1927, under the leadership of Dr. Alvin Linn, the Chemistry Club of Wittenberg College was organized. Just one month later, on April 9, 1927, it was formally installed as Alpha Iota chapter of Theta Chi Delta, national honorary chemistry fraternity.

Theta Chi Delta, which was founded in 1921 at Carroll College, Waukesha, Wisconsin, now has 14 active chapters. Its purpose is to build character, encourage high scholarship, and further interest in science, especially in chemistry. Each year it holds a national convention and issues a quarterly publication, "The Crucible," which reports progress of the chapters, besides publishing articles of scientific interest.

Alpha Iota chapter holds two meetings each month, one secret and the other in the form of a lecture or moving picture which is open to the public to further interest in chemistry on the campus. Each year the fraternity sponsors an all-Ohio high school chemistry contest, the winners of which are presented with tuition credits at Wittenberg. The fraternity also awards each year a set of ten volumes on chemistry to the student in the freshman class who writes the best essay on any type of chemistry.

ORGANIZATIONS

CLUBS

Cosmopolitan Club

IN OCTOBER, 1928, the foreign students of the campus organized the Cosmopolitan Club for the purpose of furthering mutual understanding among its members. In 1931 membership was extended to a limited number of interested American students.

Monthly social gatherings have been held throughout the year in the homes of various faculty members, contributing toward a closer bond of fellowship which has resulted from this organization.

The Annual Cosmopolitan Night, February 10th, drew a capacity audience to the Little Theatre in Blair Hall. All the members of the club participated in the program, contributing representative songs, dances and sketches of the various foreign countries. This same program was repeated at the London Prison Farm, London, Ohio, and also at the School of Liberal Arts in Dayton. The group also presented it before the Rotary Club at the Springfield Country Club.

Home Economics Club

THE Home Economics Club was organized in 1925. It is now a member of the National Home Economics Association and the State Home Economics Association. Membership in the club is open to any student majoring or minoring in home economics. Meetings are held twice each month.

In September of each year a dinner is given in honor of the new members. This year at Christmas time fruit cakes were made and sold. Three delegates were sent to the State Home Economics convention in Columbus April 6. The club also sponsored open house for girls' visitation week-end and a style show on Mothers' day.

Phi Mu Alpha

WITTENBERG'S chapter of Phi Mu Alpha, national honorary music fraternity, was installed on Feb. 12, 1927. The purpose of this fraternity is threefold: (1) to advance the cause of music in America; (2) foster mutual welfare and brotherhood of students of music; (3) to develop the truest fraternity spirit among its members, and encourage loyalty to our Alma Mater.

This fraternity helps all musical programs on the campus. Specifically, it is responsible for its cooperation in bringing the opera "Hansel and Gretel" to the campus on April 26th.

Boost Wittenberg Association

THE Boost Wittenberg Association serves as the men's governing body on the campus. It is composed of a representative from each of the men's fraternities and from each of the major activities on the campus. The dean of men, a faculty representative, and the Wittenberg publicity director are also members of Boost W. The purpose of the organization is to initiate and to perform anything for the good of the campus.

Boost W sponsored the following activities: The fixing of freshman rules; pep meetings during the athletic season; the exchanging of three trophies—a skull with Ohio Wesleyan, a boot with Miami, and a helmet with Dayton; house decorations for both the women's and men's groups; the annual pie-eating contest; selection of Esther Gehring as homecoming queen; one all-college dance; two visitation week-ends; and the annual Honor Day convocation May 2.

Y. M. C. A.

THE activities of the Y. M. C. A. this year consisted of five open meetings with guest speakers. The Freshman Handbook was published in cooperation with the Y. M. C. A., and aid was given to the incoming freshmen during Freshman Week. Y. M. C. A. conducted chapel services in the college chapel on alternating Thursdays.

The program off the campus consisted of teaching classes in the various fraternal homes on Sunday mornings and conducting discussion groups in the City Y. M. C. A.

Y. W. C. A.

THIS year the college Y. W. C. A. had as its purpose "to strive for the beauty of a fully developed personality, by encouraging active participation in the work of the association, and by living the kind of daily lives that would be a wholesome influence to others."

The Y. W. C. A. planned the chapel programs for every other Thursday, and a Holy Week observation at Ferncliff Hall. Along with the Y. M. C. A., it sponsored the annual Christmas caroling, and the Lenten Vesper Services. One of the biggest projects of the organization is the Big and Little Sister Movement which provides each freshman girl with an upperclassman who helps her to adjust herself to college life.

Meetings are held each Thursday evening at Ferncliff Hall with devotionals, musicales, and appreciation hours.

Wittenberg Women's League

THE WITTENBERG WOMEN'S LEAGUE was organized in 1925 by a small group of upper class students with the cooperation of Dean Ruth Immell. The purpose of the organization as expressed in the constitution is to correlate and unify the interests of women students; to stimulate a high type of school spirit, and to support the best standard of college life.

Membership includes every woman student of Wittenberg College, with representatives from each class acting as an administrative body. This council is elected annually by note of the women students.

Wittenberg Women's League conducts the Alma Mater election and girls' visitation week-end, and cooperates with the Alma Mater committee in producing the Alma Mater pageant. It also assists the faculty committee in carrying out plans for Mothers' Day, and helps introduce the freshmen girls to social life at Wittenberg by giving them a garden party at the close of Freshman Week.

Student Chest

THE WITTENBERG STUDENT CHEST is an organization formed to collect funds for various activities on the campus, thus eliminating the duplicate canvassing of the students for money throughout the year, which would otherwise be necessary. Each fall the Student Chest board, with the help of members of the various groups, conducts a campaign among the students chiefly for pledges to the fund. Then the board sponsors the collection of these funds, which are apportioned according to budgets prepared by the benefiting organizations, and submitted to the Student Chest committee for approval.

Each spring the officers of the Student Chest are elected by the students and with the aid of Mr. A. E. Jensen and faculty advisers formulate the policy of solicitation and collection for the following year.

This year the budget was reduced lower than ever before in the history of the Student Chest, which was organized in 1924. Pledges were solicited before the Christmas holidays and collections began shortly after these holidays were over. A new method of collection was introduced when members of the board took payments of pledges during registration for the second semester.

Organizations which benefit from the Chest are: Boost Wittenberg Association, Y. M. C. A., Y. W. C. A., Wittenberg Women's League, Band, and Orchestra.

Wittenberg Symphony Orchestra

WITTENBERG'S Symphony Orchestra has, during the past year, fulfilled its annual purpose of promoting a desire for fine music.

From April 2 to April 10 the organization made its yearly tour, presenting concerts in Marysville, Upper Sandusky, Bucyrus, Shelby, Ashland, Millersburg, Dover, New Philadelphia, Mt. Vernon, and Newark.

An interesting event for the orchestra was a trip to Dayton on April 21. The orchestra appeared there at the Masonic Temple in connection with the presentation of Oscar Wilde's play "The Importance of Being Earnest," by the Wittenberg Players. Both the orchestra and the play cast were guests there of Conservancy Lodge, and of the Wittenberg Alumni Association of Dayton.

Appearing in convocation, giving a home concert on March 1, playing for both the boys' and the girls' visitation programs on April 14 and April 28 respectively, and finally performing at the Alma Mater pageant and at the baccalaureate service, were part of the organization's program for the year.

Wittenberg Band

FIRST to function and last to disband each year, the Band may deservedly be called the first and last organization at Wittenberg. It plays at the opening convocation and furnishes the major part of the music at Commencement exercises in June. At convocations and other assemblies it entertains the students with concert music, and it inspires pep and enthusiasm at football and basketball games.

An out-of-town appearance was made when the band accompanied the "Fighting Lutheran" gridders on their invasion of Miami University.

Four representatives of the band were chosen to compose the Alma Mater quartet which rendered several numbers at the annual Alma Mater fete in June. The quartet included: Max Powers and Gerald Fisher, trombones; and Howard Wessling and Willard Borchers, trumpets.

Under the leadership of Professor Anton Bjorklund the band has become one of the most enthusiastic and active organizations on the Wittenberg campus.

Wittenberg College a Capella Choir

THE Wittenberg College a Capella Choir, under the direction of Prof. John Thomas Williams, has completed its fourth successful year of concerts. The last performance of the group of 130 voices was given at the Baccalaureate service, June 3, at the Health and Physical Education building.

Its reputation was increased this past year as a result of a two weeks' tour through various cities in Ohio, Indiana and Kentucky. where "The Seven Last Words" was given. The trip had a fitting climax when the singers broadcast a program from WTAM, Cleveland, March 23rd.

In addition to out-of-town appearances the Choir has followed its usual custom of singing for important occasions in the Fourth Lutheran Church at Springfield, and at several college convocations.

This is the third year that the a capella singers have given a program over the radio and each time have sung from a different station—1932, WAIU, Columbus; 1933, WLW, Cincinnati; and 1934, WTAM, Cleveland.

PUBLICATIONS

1934

The Wittenberger

THE definite date of the establishment of the Wittenberger as an official college publication is not known. The first Wittenbergers were monthly magazines and were bound at the end of the year into one volume and sold in that form. Now the Wittenberger as an annual records the events and activities of the school year.

In form, the Annuals always appear to be the same, but in reality they are not. The Wittenberger has kept pace with journalistic advances, using color process printing, different color schemes, duotone campus scenes, and pebbled pages.

The junior class edits and publishes the Wittenberger. Members of the staff, other than staff heads, who are appointed, are chosen from the entire student body because of their ability.

This year's staff expresses appreciation to Dr. Mary Purdy, Mr. E. A. Jensen, and Mr. K. G. Lind, for advice and help in producing the 1934 Wittenberger.

The Torch

OFFICIAL organ of campus news is the Torch, campus news weekly, which was founded in 1914. An endeavor is made to present the news of the college in a clear, concise and accurate manner, and to record direct opinion in the best interests of the institution. Strictest rules of journalism are adhered to, and it serves as a laboratory for the students interested in journalism.

Complete control of the newspaper is in the hands of the students. Bordering on conservatism the paper avoids anything with the semblance of sensationalism, attempting to give an unbiased account of all matters and never resorting to purely derogatory criticism. No news columns contain any editorial comment and doubtful news is not published. In all ways possible the Torch is run like a typical city newspaper.

The editor-in-chief and the business manager are elected by the student body for a one-year term from a list of candidates approved by the faculty committee on journalism. Other members of the staff are appointed by the staff heads. New members are admitted to the staff only after a tryout period which is held each fall, which gives them systematic training in Torch practice.

Membership is held by the paper in the Ohio College Newspaper Association and the National College Press Association.

The editorial staff has published the student directory since 1932.

Dr. E. O. Weaver is the faculty adviser this year.

The Witt

THE WITTENBERG WITT, humorous publication of the college, was established in 1922. It has been appearing continuously since that time seven times during the college year. It was admitted into membership of the Midwestern Association of College Comics in 1926. Material in the Witt is copyrighted but its contents are open for re-publication by all recognized college comics.

The contents of the magazine are written largely by a small staff of student contributors. As usual, in ever attempting to keep the publication abreast of modern trends in collegiate publications, there was a drastic change in the format of the Witt again this year. Among the new features was the reduction in the subscription price, the attractive covers, the introduction of style articles and notes, the series of scenic campus views and pictures of campus girls, and a number of columns by student writers.

There was the usual number of humorous articles, cartoons, and other features. The Witt again sponsored the annual Popularity contest balloting.

The Wittenberg Handbook

THE Wittenberg Handbook is published under the auspices of the Y. M. C. A. and the Y. W. C. A. Each spring two co-editors are selected, one by each of the above organizations, to direct the publication. Staff assistants and reporters are chosen from tryouts conducted by the editors.

Before the September registration each freshman is presented with a Handbook which contains general information about the college life at Wittenberg College. The purpose of the handbook is therefore to help the new students to become acquainted with the life at Wittenberg.

The Handbook also contains welcoming messages from President Rees Edgar Tulloss, Dr. Shatzer, Dr. Pershing and Miss Ruth Immell, a calendar for the school year, and some of the college songs.

DRAMATICS

DEBATE

Men's Varsity Debate

WITTENBERG'S Men's Varsity Debate Team for the third straight year tied for first place in the Ohio Men's Intercollegiate Debating League. Debating on the difficult subject, "Resolved, that a presidential dictator, popularly elected, every four years, would be preferable to our present form of congressional representative government," Wittenberg tied with Muskingum. Eight debates were held, Wittenberg won three; no decision in four; and lost one. Heidelberg, Kent State, Muskingum, and Capital were included in the schedule.

The affirmative team captained by Roy Murphy and composed of John Himes, Howard Alsdorf, Russell Witter, Bitner Browne, John Ritter, James Robertson, Arnold Meckstroth, and Bert Shimp, won debates from Kent State and Muskingum, and no decision debates were held with Heidelberg at Tiffin, Wittenberg Y. M. C. A. School at Dayton, and the Goodyear Rubber Company at Akron. The negative team was captained by Carl Driscoll and included Jacob Swingle, Charles McCleary, R. Harold Thomas, Frank Stevenson, and Carveth Mitchell. The negative team defeated Capitol at Wittenberg, lost a close decision to Muskingum at New Concord, and reached a no-decision verdict with Dayton Y. M. C. A. School at Dayton.

Roy Murphy was awarded the most valuable debater cup on Honor Day by Prof. Paul R. Brees.

John Ritter, Carveth Mitchell, Roy Murphy, R. Harold Thomas, and Carl Criscoll received silver cups for completing four years on the squad and Bert Shimp, Russell Witter, John Beacham, and R. Harold Thomas received gavels or their services.

Stevenson, Swingle, Ritter — Driscoll, Himes, Browne — Shimp, Beacham, McCleary — Robertson, Witter, Thomas — Alsdorf, Mitchell — Murphy

Varsity Women's Debate

THE Varsity Women's Debate Squad placed second again this year in the Ohio Women's Intercollegiate Debate Conference. Two of the conference contests were won and two lost, placing the team second to Kent State Normal School. The question debated was, "Resolved: That capital punishment should be abolished."

The first debate was a non-decision meet with Earlham College held on February 13. Betty Brown, Martha Morris, and Bernadene Ramge upheld the affirmative side of the question at Wittenberg, while Maryanna Hackenberg, Jean Faris, and Martha Wickham debated the negative side at Earlham.

February 27, the affirmative team traveled to Columbus and Wittenberg won the decision against Capitol. Emily Dean, Margaret Brillhart, and Katherine Rogers spoke for Wittenberg.

The negative team, composed of Jeane Browne, Rosemary Sundberg and Martha Wickham, lost a very close contest to Ohio University on the same night in the chapel.

On March 6, the affirmative team met Ohio Northern here and were again victorious. Bernadene Ramge, Doris Wyburn, and Esther Gehring spoke on that night for Wittenberg.

On the same evening, Jeane Browne, Rosemary Sundberg, and Eleanor Mary Thompson traveled to Kent to debate for the negative team. Wittenberg lost this debate.

First-Year Men's Debate

FROM approximately fifty candidates with no previous collegiate debating experience, Professors Brees, Kelley, and Avery chose the First Year Men's Debate squad in the fall of 1933. Of those selected, the thirteen who continued under the tutelage of Coach G. Vernon Kelley were: Roger Miller, Eugene Hoak, Milton Bernstein, Edward Crocker, Charles Cookes, John Turner, Robert Sultzbach, Willard Nussbaum, Robert Keck, Erich Brandt, Edwin Florence, Morrow Stough, and Paul Plasterer. These men have all been promoted to the varsity squad of next season.

Debating upon the question, "Resolved that the United States should abrogate the Platt Amendment, giving Cuba her complete independence," members of the squad met teams from Ohio Wesleyan University, Denison University, and Fenn College, Cleveland.

In conjunction with the First Year Women's squad, this group developed one unique feature. A combination of the two squads gave exhibition debates before the Young People's Society of the Church of God in the Springfield Y. M. C. A., and before the students of two local high schools, Madison township, and Oakwood.

First-Year Women's Debate

ARGUING over the eternally interesting question of whether or not women should confine their work to the home, the Freshman Women's Debate Squad participated in six debates this year. The question read: "Resolved: That the present tendency of the American woman to emerge from the home into public life is to be deplored."

Coached by Dr. G. Vernon Kelley, the girls' squad took part in intercollegiate debates with Ohio University and Fenn College at Cleveland.

Exhibition debates were given at North Hampton High School, Madison Township High School, Oakwood High School, and the Young People's Society of the Church of God, held at the Springfield Y. M. C. A. The first of these exhibitions was given by the girls team alone, while the others were held in combination with the men's freshman squad.

Girls who took part in the debates during the season are: Dorothy Cowden, Corrinne Imhoff, Lorraine Albright, Frances Thackera, Mary Ellen Mitchell, Olga Leilich, Dorothy Lehman, LaVina Imhoff, Arlene Joldersma, Marguerite Schultz, Virginia Ellis, Margaret Willis, Ola Dibble, and Betty Stewart.

Oratory

WILLIAM McCLAIN, representing Wittenberg, won the Men's Old Line Oratorical Contest held at Muskingum, and then going to Chicago won first place in the National Contest. This contest is 60 years old and some of the winners are such famous men as Senator Albert Beveridge and Senator Robert LaFollette. Mr. McClain is the first Wittenberger to ever attain the coveted position of both State and National winner. The subject of the winning oration was "Our Scroll of Destiny."

For the second consecutive year a Wittenberg representative placed first in the State Intercollegiate Interpretative Reading contest. Miss Dorothy Morris placed first by interpreting scenes from "So This Is London." Other colleges participating were Ohio Wesleyan, Kent State, Heidelberg, Otterbein, Capitol, and Ohio University. The contest was held at Otterbein.

Miss Rosemary Sundberg represented Wittenberg in the State Women's Oratorical contest held at Wooster. The representation from Ohio University won first place. Miss Sundberg did not place in the contest.

Bitner Browne was chosen to appear in the State Peace contest held at Capitol University. His oration was "The Suicide of the Nation."

Wittenberg has the most outstanding public speaking record in the state, having won more first places an placed more times than any other school competing with her. It is truly a record of which every Wittenberger can be proud.

Dramatics

ADD TO the public speaking department's list of champion orators, interpretative readers, and debate teams the successful production of plays during the year.

The Wittenberg players are advanced students in dramatics. They must serve a period of apprenticeship during which they study costuming, makeup, staging, scenery, and lighting. All these are studied in the dramatics class which produces a one-act play each week in the Little Theater in Blair Hall which is properly equipped with lights, scenery, and properties. Near the end of the semester a group of these one-act plays are given for public entertainment.

The major production for the first semester was Ibsen's "Ghosts." The cast included Jeane Browne, Robert Sultzbach, Eugene Hoak, Bert Shimp, and Christine Chakeres. Prof. Paul R. Brees had charge of the production; George Izenour, staging and directing; and the business manager was Roy Murphy.

As part of the promotion program the public speaking department produced Oscar Wilde's "The Importance of Being Earnest." Since it was produced eleven times the cast had a taste of a real trouper's life. The cast included the following: R. Harold Thomas, Edward Crocker, Dorothy Cowden, Dorothy Morris, Amine Cosby, Bert Shimp, Winifred Pitcher, William Kidd, and Trygve Rosholm. Those in charge of the play were: Prof. Paul R. Brees, production; George Izenour, staging and directing; Lowman Ohmart, stage manager; Bert Shimp, assistant stage manager; and William Kidd, properties.

The Bigshots

SWEETEST of all the sweet young things was Queenie Gehring, prexy at the A. D. Pi domicile. 'Tis rumored that once she stated that she knew she was not beautiful, but thought she was awfully cute. She is seldom wrong—according to her. She spent the first three years of her college career telling people she got where she was through sheer ability and perseverance on the job. Of course if she would tell you what the job was, much could be explained. Nevertheless, she is a bigshot in every sense of the word. She is egotistical, proud of herself, a personality babe, and important looking. Besides having all of the characteristics of a Royal Canadian Mountie, she seems to be able to sell herself to the girls, which, my dear children, is no mean accomplishment. She is securely roped by a Phi Psi, or has him roped. You figure it out.

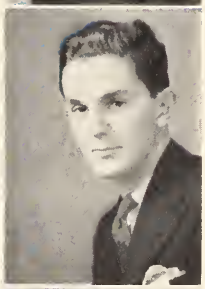
Ability to get a fervent quaver to the simple little word "hello" won Jeane Browne, the Alpha Xi rosebud, her greatest fame. Beside being a veritable Barrymore, she has assumed leadership in nearly everything that crossed her path in her four years quest of higher education. Attention to little things in life pays, so Jeane condescends to speak to each and every one whom she meets. And she sounds like she means it though some have never decided whether she really did. It is admitted that she has arrived, so her system must be oke. Phi Gam stuff.

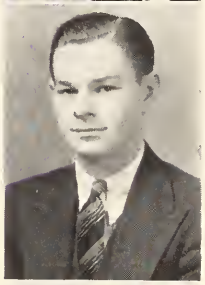
Spewing and sputtering in her weekly rantings about sundry things that happened in divers places on the campus has put the name of Flo Paschold before the tired eyes of Wittenberg students. Besides being the campus columnist, she also holds the questionable honor of nailing two different fraternity pins in the short space of three years. Just to show you how good she is, she went out of circulation for a year to give the rest of the girls a chance and then made a comeback that showed her true championship caliber. Some people think she is moon struck, but that isn't so. She's a Chi O. and wears a Phi Gam pin *now.*

The blonde Venus of Gamma Phi Beta, Augustine, smiled her way into the bigshot list. She is the reason that there is no beauty section in the Wittenberger this year. Last year she was voted the most beautiful woman on the campus, and since the editor had neglected to include her among the campus belles, the ensuing guffaws prompted the discontinuance of that feature. She is free, white and beautiful.

An independent lass of pleasing personality is Ruth Bell, the president of Y. W. That alone would be hard to live down, but considering the handicap she has done right well by herself. She, among other things, reigns as Alma Mater, and "is the symbol of Wittenberg." The latter accomplishment makes her a tin goddess. She has a sweet smile for all that, and never fails to use it when she sees you. She gets along without the encumbrance of a male.

The Bigshots





COMING from a one-night stand jerkwater in northern Indiana is not an auspicious start nor a good background for a campus bigshot. Yet when it comes to bigshots, the inimitable Braddock is a 21 gun salute—ask him. He took over the Torch after three years of personal build-up and he declares that he did a good job. Let him have his own way. He got messed up in politics and got his fingers burned after a time, proving that all that goes up must come down. He thinks he is a hard guy, acts cynical, thought to be a sucker for the frails, and likes to conduct campus crusades to prevent others from doing the things he owes for his success. What we are trying to do is tell you that Braddock is the fellow that got the most votes in the annual popularity farce, which entitles him among other things to being first panned on this sheet. The Betas have to claim him, though he lives at the A. D. Pi mansion.

Trailing a scant nine votes behind the big noise was Phi Gamma Delta's all-Ohio basketball ace, the one and only Pitzer. People say that he grandstanded his way into a position of prominence as a hardwooder of wide repute, but we rather think that he didn't do that—at least *much*. As president of Boost Wittenberg association his domineering and high-handed manner won for him the title (used covertly) of "King" Pitzer. He is also A. D. Pi stuff. Feeling that major league baseball could not get along without him, he left school under contract with the Reds.

Owing his success to prompt, meticulous attendance at classes and appointments with the Dean (about the last joke in the Witt) Fritsche is another Beta who got someplace in the world. How, nobody knows, for he broke all the rules. During his senior year he did his best to maintain his reputation for exercising freshmen women, though with increasing difficulty. He never got anyplace on time—if he got there. He is a free man—too slow to catch.

Ritter, the pride and joy of the Chi O lasses, is Phi Kappa Psi's contribution to the whirligig of campus politics. His friendship with his bitter rival in the political arena has always been one of the campus mysteries. One thing about him, he could take it. For three years he never saw his party win an office, but that didn't bother him—he just waited until his senior year and masterminded them through to a glorious triumph. So there!

Brewster, Apollo-like varsity halfback, paradox of the tea hounds of Ward Street, crashed into the bigshot list by just being a good fellow. No girl has hooked him definitely, though a blonde Gamma Phi bothers him at times. His greatest attribute is being able to go unshaven for three days—and with his beard!
